

FORMTEK NEWS ANNOUNCEMENT

Formtek, Inc. (www.formtek.com) has received a subcontract for professional services from The Regents of the University of California. The subcontract was issued under the University's Prime Contract with the US Department of Energy for the management and operation of the Lawrence Berkeley National Laboratory.

Formtek will provide the University with services in support of Lawrence Berkeley National Laboratory's implementation of Alfresco One, with a focus on the implementation of Alfresco Records Management. Formtek services will include technical architecture and design, business process analysis, software configuration, software development, quality assurance testing, project management, training, and operations support.

The subcontract performance period is thirty-six (36) months.
