Contact Formtek:
sales@formtek.com

EDM Connector

- Interact with Alfresco directly from AutoCAD
- Browse the repository, check-in or check-out drawings
- Maintain the integrity of referenced drawings
- Control versions and revisions between Alfresco and AutoCAD
- Synchronize to pre-defined engineering content model from EDM Module
- Available for AutoCAD 2010 through 2014

Formtek provides Content Management software and services to some of the most demanding engineering, manufacturing, aerospace, government, and industrial operations in the world. We build solutions on technology platforms that are open and adaptable to complex IT environments, including the Formtek | Orion Content Repository Services platform, Ephesoft Intelligent Document Capture, and the Alfresco One ECM platform. Our products also include the Formtek Engineering Data Management (EDM) Solution for Alfresco, and the Formtek Software Extensions for Alfresco.
