

# ANNOUNCEMENT

## **Armedia partners with Formtek to provide the Formtek software products for Alfresco to US-based businesses and government**

February 19, 2019

Walnut Creek, California USA — [Formtek, Inc.](#) announced that it has signed a Partnership Agreement with Armedia, LLC.

[Armedia](#)® is a technology firm focusing on information, content management, and case management solutions, and is a Strategic Integration partner of Alfresco Software, Inc. Armedia has industry-acclaimed expertise, services and products in business process, document, case and record management, as well as eDiscovery, content collaboration, content publishing and content migration.

Formtek® is a provider of software and services for Alfresco®, including the [Formtek Extensions for Alfresco](#) and the [Formtek Engineering Data Management \(EDM\) Solution for Alfresco](#). Formtek EDM integrates Alfresco Content Services with AutoCAD, the leading computer-aided design (CAD) software that architects, engineers, and construction professionals rely on to create precise 2D and 3D drawings.

Through the partnership, Armedia will offer the Formtek software products for Alfresco, and related services and support, to businesses in the USA, and to US government entities via Armedia's GSA Federal Supply Schedule GS-35F-0891P.

*About Formtek:* For over two decades, Formtek has been providing mission-critical Content Management software and services to some of the most demanding engineering, manufacturing, aerospace, industrial, and technical organizations in the world. We build solutions on technology platforms that are open and adaptable to complex IT environments, including Formtek | Orion Content Repository Services, Ephesoft Intelligent Document Capture, and the Alfresco Digital Business Platform platform. Our products also include the Formtek Engineering Data Management (EDM) Solution for Alfresco, and the Formtek Software Extensions for Alfresco.
