Zia Consulting to provide the Formtek Engineering Data Management Solution for Alfresco to businesses and government

August 15, 2019

Walnut Creek, California USA — [Formtek, Inc.](#) and [Zia Consulting](#) announced that they had signed a Partnership Agreement.

Zia Consulting (Zia) is an award-winning system integrator of content management, process management, document capture, and cloud sharing technologies. Zia addresses the needs of enterprises to better manage, process, and secure documents by automating business processes and enhancing information governance. Zia vertical accelerators for insurance, mortgage, accounting, manufacturing, energy, and more are utilized by some of the world's largest enterprises to reduce costs, increase efficiency, and mitigate risk.

Formtek® provides ECM software products including the [Formtek Extensions for Alfresco](#) and [Formtek Engineering Data Management \(EDM\) for Alfresco](#). Formtek EDM integrates Alfresco Content Services with AutoCAD, the leading computer-aided design (CAD) software that architects, engineers, and construction professionals rely on to create precise 2D and 3D drawings.

As a Formtek partner, Zia will sublicense the Formtek products for Alfresco to customers throughout North America, and provide related services and support.

Ryan McVeigh, Managing Partner at Zia said, “Zia’s focus will be on providing engineering data management solutions to energy, utility, and government customers. As one of the largest global resellers of Alfresco, we believe a number of our prospective and existing customers will benefit greatly from this partnership.”

“Formtek products meet critical requirements for technical organizations using Alfresco”, added Dennis M. Scanlon, Formtek President and Chief Executive Officer. “We are extremely pleased to establish a relationship with an organization as experienced and respected as Zia, and to have them represent our products in this market.”
